Hi Conor,

I work for a New York Times team tracking the administration of vaccines across the country. I tuned into Governor Polis' press conference earlier and heard him say that a few thousand Coloradans have begun receiving their second dose. Does your office have a precise number of how many Coloradans have been fully vaccinated (both doses) at this point?

Thanks,  
Alex  
(760) 420-4885

Hey thanks for reaching out. 2190 doses.

Conor Cahill  
Press Secretary

**COLORADO**  
Governor Jared Polis
